CRW President Jim Bloomer will schedule a Zoom meeting for Saturday morning, Nov 21, at 10:00 am. Links to the meeting should be sent to your email that morning. If you do not already have the Zoom software installed on your device, you may want to do so in advance and set up your camera and mic if you have one. Agenda is yet to be determined, as this is more of a test to see how well this platform will work for future meetings. It would be great to see as many members as possible join in.

We may experiment with an instant gallery in this new format, so get your camera ready if you have a work to share. Below are a few things members have been working on during the dark ages of the past several months.
